Arts & Humanities
Research Council

“what can we know?”

- Can we know if someone is lying?
- Can we know if someone has a preponderance to commit a certain type of crime?
- Can we know if someone is dangerous?
- Can we know if someone is reformed?

The worm turns?

- **Neurowissenschaften**
- **Ticken Anwaltsgehirne anders?**
-

What should we do?

- Should we even ask? (Privacy)
- Should we tell the judge/jury (admissibility)
- Should we act on the information we think we got?

Arts & Humanities
Research Council

What can we hope for?

- A more systematic approach to science in trials (Daubert criteria, Forensic Science Advisory council)
- Better training of lawyers
- Regulation of service providers
