

INFORMATION FOR POSTER PRESENTERS

Poster Guidelines

1. Size of Printed Posters

This size of the poster boards are 7 feet height x 3 feet width and will fit an A0 paper size in Portrait orientation.

You are responsible for printing your own poster and bringing it along to the conference for display.

Set up and Dismantle

You will be able to set up your printed poster on the day of conference registration, on Tuesday **9th September from 09:00 am**. Please ensure all posters are in position by 10am.

2. Location of Posters

Posters will be located in Sir Charles Wilson building seminar room (Rm101A) in the basement where teas and coffees will be served.

All posters will be presented throughout the whole duration of the conference. Posters will be secured by means of Velcro stickers which will be provided and on your board ready for use. Please be aware, posters printed on thick canvas may have trouble sticking to the board due to their heavy weight, and may require pins. Please note that any posters remaining at the end of the conference cannot be returned to authors.

Your poster number will be on the poster boards.

Lightning Talk Guidelines

Poster lightning Talks will take place between 12-12:30 on the 9th September.

- The format will be a 1-minute, 1-slide talk . Please, use this opportunity to sell your poster so people come and see it during the poster session. Make it bold and clear.
- **The size must be 16:9 and can be sent as either a PowerPoint or PDF**
- Please include your poster number on your slide (this will have been emailed to you)
- All slides will be collated into one file for smooth transitions; therefore slides **must be emailed in advance** to ukpetchem2025@gmail.com
- Final slides due by **4 September by 5pm**
