

# Ten years of SINAPSE

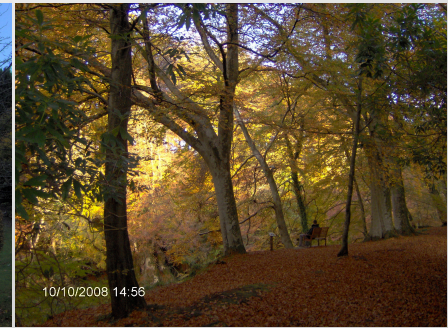

## The Transition

Prof Dave Wyper

# SINAPSE events that bring people together

## Student inductions

Learning about each other  
Presentation skills  
Creative thinking

# Still bringing people together

Student induction at Stirling

Psychology group  
at St Andrews

UK PET Chemistry Meeting in Edinburgh: 3<sup>rd</sup> May 2016

Molecular  
Imaging Group

Feedback from an  
earlier meeting in  
Glasgow

*"I've been very impressed with the way you have been able to set up a strong imaging community in Scotland. Things have been somewhat more challenging to arrange south of the border".*

# Establishing international partnerships

RSE sponsored visit to Taiwan

Collaboration with Prof Isaac Tseng

Connectome software

# INNOVATION!

Rich in iodine

CT contrast  
SPECT tracers
